

Discover Your Strengths: Uncover Your Cash

Stop Wasting Time And Start Making Money!

Course Format:

This 6 week comprehensive, step-by-step course will take you through the process of defining your strengths and marketing them to increase your revenue. Each week you will receive a lesson and an assignment to complete on your own time. Each lesson builds on the previous lesson.

Upon completion post your homework on the group discussion board for feedback and support. You may also check the board for questions and collaboration throughout the week.
